GPS Tracking Services

State-of-the-art technology to help you:

Track fleet activity
Manage route planning
Decrease personal use of vehicles
Reduce gas and overtime costs
Recover stolen vehicles

Are you:

- Frustrated by the costs of business insurance?
- Wondering whether you're paying drivers too much overtime?
- Uncertain about the security of your expensive equipment?
- Worried about the safety of your employees on the job?

We can help you resolve these problems, while gaining:

- Adequate protection of your people, property and assets for a competitive price.
- Reduced driver overtime hours—by as much as 75 percent!
- Peace of mind in knowing where your trucks, Bobcats and backhoes are and, if stolen, that they can be easily traced.
- Comprehensive safety training programs that protect your employees and reduce workers' comp costs.

Surveillance Camera Systems

Keep watch over:

Your facilities and worksites for theft
Your employees for workers' comp fraud

Background-Check Services

Web-based screening services to help you:

Save time
Conduct more thorough checks
Increase the quality of your workforce

Risk-Management and Safety Services

A comprehensive safety program to help you:

Protect your employees on the job
Cultivate a culture of safety
Reduce accidents and claims costs
Improve your "experience rating," which, in turn, will help lower your workers' comp premiums

THE ALLIANCE DIFFERENCE

Alliance Insurance Group, based in Golden, Colorado, will help you protect the people and things most important to you, across all areas of your life—at work, at home and at play.

Alliance offers commercial, personal and recreational insurance from hundreds of the nation's best insurance companies. Yet if you have an issue or need to file a claim, your own local insurance agent will manage everything.

We work hard to build trusted relationships with our clients, so we can be that single, convenient source for insurance and other business needs.
